

9 November 1953

MEMORANDUM FOR: Colonel White

SUBJECT : Status Report - Major Bases

1. The attached Major Base Status Report prepared by the Logistics Office gives an up-to-date and concise picture for each major base. It shows the number of U. W. Forces to be supported, Agency and indigenous personnel authorized and on duty, as well as the status of all authorized construction.

2. The report seems well worth looking at and it is suggested that Logistics forward subsequent copies of this report to this Office for review. In accordance with the request of Logistics, the attached copy should be returned to that Office.
